

With Membership Comes Rewards

GNPCC Member Benefits

Group Health Insurance is available through Blue Cross/Blue Shield, Keystone HMO and Personal Choice.

Each GNPCC member receives two complimentary listings (alphabetical and by business) in the Chamber's annual Membership Directory and Buyers Guide. The directory is provided free to GNPCC members and is available publicly online.

Members receive the Chamber Times bi-monthly newsletter providing: articles about our members and our community; advertising; upcoming events; business tips; and much more.

Chamber Advantage Program: monthly mini-workshops of industry and Chamber specific topics giving our members an edge over their competition.

Networking Opportunities

Monthly breakfast meetings (usually the third Tuesday of the month at 8:30am) and monthly business card exchanges (usually the fourth Wednesday of each month at 5pm) provide members with opportunities to host these well-attended events and/or attend and meet fellow members. Each breakfast has a guest speaker and key topic (of the sponsoring member's choice). Business card exchanges are a great opportunity to maintain an existing business relationship — or develop new relationships.

The GNPCC Business Expo is a business card exchange on a grand scale. Local businesses display their products at a sponsoring GNPCC member's facility. These wonderful events provide both business and social opportunities and enjoyment.

Each year (early December) the GNPCC partners with the Lower Bucks Chamber of Commerce for a Joint Business Card Exchange.

Leadership Development Program

A year long program culminating in five continuing Educational Credits Certified by Holy Family University.

Professional Development Seminars

Throughout the year the Chamber offers seminars designed to highlight various industry trends.
